### **FYI: *Califone* Upgrades Deluxe DVD Player**

SAN FERNANDO, Calif. (May 1, 2007) – As DVDs are a growing component of many textbook and supplemental curriculum programs, *Califone* International, Inc., has updated its DVD player to support educators as they instruct their increasingly digital-savvy students.

The Deluxe DVD Player works with popular DVD/CD/MP3 formats and covers a wide range of needs, including two microphone inputs for teacher or student presentations and a full-function remote control for easy classroom use. Utilizing Dolby Digital technology, the player offers audio 5.1 and DTS Digital Output for optimal sound to engage students consistently throughout instruction.

The Deluxe DVD Player comes with the unique *Califone* warranty, covering school, library and government use, a guarantee typically not available for products purchased from consumer electronics stores. To order, contact a *Califone* dealer.

For more information on the full line of *Califone* products that are designed for the education market and are safe for school and library use, call 1-800-722-0500, or visit [www.califone.com](http://www.califone.com) to view and download the entire *Califone* catalog.

### **About *Califone***

*Califone* was founded in 1947 and continues to be a leader in the design, development and manufacturing of audiovisual and supplemental curriculum products for use in education, presentation and professional markets. The company offers a complete line of audio solutions, wireless systems and multimedia products for small, medium and large presentation needs. *Califone* serves millions of educators and children in the PreK through higher education school environments and has expanded to serve business and industry, houses of worship, parks and recreation and other presentation markets as well.
