Company Overview FAQ

Who is ePals, Inc.?

- ePals, Inc., is the developer of the ePals Global Community™, the largest online community of K-12 learners.
- ePals is where learners can connect in local communities and around the world to share and exchange ideas that foster literacy, language and critical thinking skills in a fun and safe environment.
- The company recently launched its first curriculum-based literacy product, *In2Books*®, available for school and home use (www.in2books.com).
- ePals, Inc., also offers *SchoolM@il* and *SchoolBlogs*, a pioneering suite of protected communication tools. *SchoolBlogs* received a 2006 Award of Excellence from *Technology & Learning Magazine* (www.epals.com).
- The company's mission is to stimulate lifelong learning and critical thinking through online collaborative tools and research rich experiences that empower and inspire.
- The company was created from the merger of In2Books and ePals Classroom Exchange in December 2006, combining over 20 years of building research-based learning programs and serving schools and local communities.

How many people use ePals products or services?

- The ePals Global Community enables more than 120,000 classrooms and 325,000 teachers across 191 countries to safely connect, exchange ideas and collaborate.
